

It's your transportation service. Where would you like to go?

Accessible – Inclusive – Reliable

“Our mission is to provide a green, sustainable, multifaceted, community based transit strategy that provides accessible, efficient, reliable and safe travel for all residents and visitors in Antigonish town and county”

Antigonish Community Transit Society (ACTS) is an important part of the non-profit community in the Antigonish area. ACTS provides a full menu of accessible, barrier-free, inclusive, efficient, reliable, safe, green and sustainable transportation. We are achieving our mandate through an integrative and collaborative partnership approach. We want to ensure that no one is left out. Our service is designed for persons with disabilities, seniors, students or anyone needing transportation. We drive people to medical appointments, work, schools, grocery stores or wherever people need to go to lead a healthy and happy life. We are proud of our ability to adapt to provide convenient and affordable transportation for all.

Our Objectives:

- To increase awareness of the transportation deficiencies within the Antigonish area through advocacy and public awareness meetings;

- To coordinate multimodal transportation strategies within the Antigonish region;
- Helping people access our community;
- Using an integrative and collaborative partnership approach to advance our service delivery;
- Increasing community access through safe, reliable, fixed route, flex route and door-to-door on-demand (dial-a-ride) service;
- To be environmentally conscious and aware of the impacts a transportation system can have on the environment;
- To respond to people's limited access to services, programs and community activities by facilitating more accessible, barrier-free, inclusive, efficient, reliable and safe transportation options for community members within the Antigonish area.

ACTS is funded by municipal governments, provincial government, fare revenue and general contributions. ACTS welcomes financial contributions which allows our service to be sustainable and affordable.

ACTS serves the Antigonish community in the following ways;

- Fixed-flex route in the Antigonish town and surrounding area. This route operates 8:00AM to 6:00PM, from Monday to Friday, Tuesday evenings and 9:00AM to 1:00PM Saturdays. The route operates on an hourly schedule, available on our website.
- A door-to-door on-demand (dial-a-ride) service. We come to your door, pick you up and take you directly to your destination or access the fixed route transportation. All drives must be booked the day before by 1:00PM.
- For additional information, please visit our website at www.antigonishcommunitytransit.ca, Facebook page, Twitter, email at antigonishcommunitytransit@gmail.com or call us at 902-867-0411.

“I not only rely upon the transit, I enjoy it” - Barb Aldrich, South Side Harbour

“Thank you for a wonderful service provided by your team for all residents as well as students” – Darshana Sridharan – StFX Student
